Call for Nominations

Novartis has announced that nominations are open for the [9th Annual Monica Warner Award](#), which commemorates the life and work of Monica Warner as a driving force in the neuroendocrine tumor (NET) community. **Nominations will be accepted until December 14.**

The award will honor a patient, caregiver, or advocate in the United States who most embodies the passion, dedication, leadership, and spirit with which Monica assisted people affected by NETs.

Criteria for nominations include the information below and should be submitted through the following link: [Monica Warner Award Nomination Form](#).

- How he/she has facilitated positive change in the NET community
- How he/she has inspired and improved the lives of NET patients
- How he/she has engaged with NET support groups

The award recipient will have the ability to select an approved, patient-focused 501(c)(3) charitable organization to which Novartis will make a \$10,000 donation.

The Carcinoid Cancer Foundation's website, support of research, educational awareness, and advocacy activities are made possible by your contributions. These crucial activities lead towards early detection, improving the quality of life for cancer survivors, and ultimately to a cure. The Carcinoid Cancer Foundation is a 501(c)(3) nonprofit organization. All contributions to The Carcinoid Cancer Foundation are tax-deductible to the extent allowed by law.

Thank you for your support!
