

The Peninsula of Mobile: Heart of the Parkway

Supporting the development of a clean and vibrant community while working to sustain the sensitive environment which IS...The Peninsula.

Issue 2, September 2015

Dear Friend,

Things are very busy as our community is now central to many projects being developed throughout the City. In an effort to keep you up to date, we will send out an issue every few weeks. If that is too often, just let us know. As always, thank you for your support, without which, none of this would be possible.

Stakeholder Workshops & Other Master Plan News

- Local residents and business owners recently participated in workshops to identify, discuss and brainstorm the assets, opportunities, challenges and issues facing our Peninsula portion of Dauphin Island Parkway. All suggestions are being considered in the Mobile Peninsula Corridor Master Plan that should be ready for review by the holidays.
- We welcome another class from Auburn University School of Architecture, Planning and Landscape Architecture. The Urban Economics and GIS classes are compiling data for use in strengthening our business atmosphere.

Second Quarter Report

- Through presentations, networking events, and research and development we have reached 832 individuals during the second quarter.
- Highlights include:
 - Crepe Myrtle Trail Bike Ride (5.16.15)
 - One Block @ A Time Clean-Up (5.9.15)
 - Non-Profit Training Summit (6.5.15)

Crepe Myrtle Trail Draft 5-Year Strategic Plan

- The Peninsula of Mobile is proud to be chair of Working Group One (WG1), a subcommittee of the larger Crepe Myrtle Mobile Greenway Initiative. The group has developed a draft five-year plan and are busy firming implementation strategies.
