

Dear Colleague,

It feels like my fast forward button has been on throughout September! The last two weeks I've been to Seattle, Denver, Ft Lauderdale and Boston with Africa Showcase, where I was lucky to connect with so many of you!

Our clients from JW Marriott, Adventure Consults, Sierra Leone, EcoTraining and Anantara were in-country for the whole thing. We truly represent a tremendous group of destinations and people!

And they have some exciting things happening, too. Starting with two great webinars introducing [Sierra Leone](#) and the new, upscale [Mara Siana](#) safari camp in Kenya.

Be sure to check out more news from our Africa clients below and make sure to [book a 1:1](#) with me if you want to learn more!

Warm regards,

The Emerging Destinations team

Jane, Jenna & Ana
