Columbia County P2P Celebrates Friendsgiving

Columbia County DDA families were able to celebrate Friendsgiving together on November 17th. The Eagles graciously hosted and made a huge dinner with turkey and all the fixings. [Read More](#)

A Note From Parent to Parent...

Hi readers,

The month of December is upon us and it brings with it a lot of different activities. We start the month off with a Special Education Ombudsman presentation on December 4th via zoom. We also can enjoy the Walla Walla Holiday Parade of Lights on December 7th and cheer on the SOAR float as it goes by. On December 10th Parent to Parent and SOAR will be hosting gingerbread house making and pizza dinner in Waitsburg for families in Waitsburg, Dayton, Dixie, Prescott and anyone else who wants to join in the fun. December 14th we will be hosting a Breakfast with Santa and reindeer games which will be fun for the whole family. Lastly, on New Year's Eve, Parent to Parent will be hosting a New Year's Eve Party with food and games. Parents can join their SOAR participants at the end of the night for the ball drop celebration. For any of these activities, please go to our Calendar of Events to register at www.vdn.org. It is important to register so we can ensure we have enough food and supplies.

December can also bring a lot of different emotions. Some people love this time of year and decorate early and are filled with excitement. Others experience sadness, anxiety and feel down. No matter how we approach this holiday season, I just want you to know that you are not alone. We have helping parents available to listen and support you during this season. Please reach out if you need assistance.

Our office will be closed from December 23 through January 3, but we will be available through email and phone periodically during this time.

Sincerely,

Angie and Ysabel

SOAR's 3rd Annual Friendsgiving

"I'll be there for you." Friends. We have them, we are them and that is what we celebrate at Friendsgiving. This year we wanted to celebrate all the friendships that have been made through the Walla Walla Valley Disability Network; that is why we decided to partner with the Parent-to-Parent (P2P) program this year. Public Health Institute Study

The Public Health Institute (PHI) is doing a study to learn more about how people with intellectual and developmental disabilities feel about their health care and the doctors or nurses who help them. This information will be used to create a tool for doctors and nurse to check how inclusive and helpful their services and offices are for people with disabilities.
