Honoring Hispanic Heritage Month with nglccNY!

We are proud to join our fellow organizations in celebrating Hispanic Heritage Month! (September 15 – October 15). This is an opportunity to celebrate the histories, cultures, and contributions of Americans whose ancestors came from Spain, Mexico, the Caribbean, and Central and South America.

Many of those LGBT individuals who are part of our own nglccNY family, people who are thriving in business and bolstering our economy, are of Hispanic descent. As we mark this moment, we pay tribute to all of our members of Hispanic descent and thank you for your significant contributions to our LGBT business community.

Most sincerely yours,

Thomas “TJ” Chernick, Director of nglccNY
on behalf of the Executive Committee and Team nglccNY

September M3

Register for our very special End of Summer Celebration M3 with our friends at Spirit Cruises.

As we come to a close this summer, we want to look back. As nglccNY on Long Island, it’s been a memorable year for us. During the summer, we will be hosting a special awards ceremony to honor some of our stand-out members.

We hope to see you there for this exciting M3 as we roast the Harlem River (thanks to our friends at Spirit Cruises)!

nglccNY - Inaugural Long Island Members’ Mixer

Please join us for our very first Long Island Event on October 30.

The number of LGBT-owned businesses on Long Island is rapidly expanding every day, but the region has been lacking a central business voice focused on strengthening economic opportunities in the community. That’s one of many reasons why nglccNY is extremely excited to organize our first-ever Long Island event, jumpstarting our Long Island connections!

This nglccNY Long Island Members’ Mixer is an opportunity for LGBT business owners to network, share ideas, have fun and grow their businesses. We’re thrilled to begin a robust presence on Long Island and look forward to connecting with and offering our support for dedicated LGBT business owners who are bolstering the economy on the Island.
