

Honoring Hispanic Heritage Month with nglccNY!

We are proud to join millions across the nation in observing this important month (from September 15 - October 15) which is set aside to celebrate "the histories, cultures and contributions of Americans whose ancestors came from Spain, Mexico, the Caribbean and Central and South America."

Many of those are LGBT individuals who are part of our own nglccNY family, people who are thriving in business and bolstering our economy. As we mark this moment, we pay tribute to all of our members of Hispanic descent and thank you for your immense contributions to our LGBT business community.

Most sincerely yours,

Thomas "TJ" Chernick, Director of nglccNY

on behalf of the Executive Committee and Team nglccNY

nglccNY - Inaugural Long Island Members' Mixer

Please join nglccNY for our first-ever Long Island Event on October, 30.

The number of LGBT-owned businesses on Long Island is rapidly expanding every day, but the region has been lacking a central business voice focused on strengthening economic opportunities in the community. That's one of many reasons why nglccNY is extremely excited to organize our first-ever Long Island event, jumpstarting our Long Island connections!

This nglccNY Long Island Members' Mixer is an opportunity for LGBT business owners to network, share ideas, have fun and grow their businesses. We're thrilled to begin a robust presence on Long Island and look forward to connecting with and showing our support for dedicated LGBT business owners who are bolstering the economy on the Island.

Registration link coming soon-- check your inbox in the weeks ahead!
