PSEP Creates an On-line Practice Testing Tool

PSEP has created an online practice testing tool. Certification Core Exam. Shortly after completing the practice test, users will receive an email containing details about their score, the questions they missed, and the correct answers. The email also should review again prior to taking the actual certification exam.

March is National Nutrition Month® across America, and it is an annual campaign compiled by

The first week's theme is Eat a Variety of Nutritious Foods Every Day. This includes food choices and developing healthy eating and physical activity habits to last a lifetime. The second week has a theme of Planning Meals Weekly. This is helpful in stretching

the food dollar and eating more healthy. Ideas include choosing healthful recipes, using being mindful and without distraction.
