

Your one-stop-shop for pre-health news and updates!

## Did you miss the Pre-Health Orientation Session live?

Check out the recording of the [Zoom session on our Pre-Health Webpage!](#) This session is an overview of what you should be doing from your very first year onward at UP to be a successful pre-health

applicant later on.

## Are you Taking an Entrance Exam This Year?!

MCAT? DAT? GRE? PCAT? OAT?

If you are taking any entrance exam in the next year please [email Becca](#) and let her know the date you register for and the test you are taking so we can add you to the Pre-Health Testing Calendar! We want to cheer you on as you study and help you find other people who are working towards the same goals to connect with this year. We also want to celebrate with you when you're done - and we don't know when you're taking these tests unless you let us know!

## Off Campus Highlights

- November 14th - 19th is National Health Professions Week!** If you are considering a future in the health professions, HPW is your one-stop-shop to explore over 20 career options. Registrants receive access to a personalized website with curated, on-demand content introducing the participating health professions, as well as access to exclusive live events featuring opportunities for one-on-one career advice. [HPW is a free event for all participants.](#)
- Interested in Chiropractic Medicine?** Join Doctors of Chiropractic live from **Life Chiropractic College West** as they share information about the field of chiropractic care, working with patients, experience in developing and running a practice, and what makes chiropractic a great career

choice. Participants will be able to engage with the presenters and ask questions. [Register for this event here!](#)

- Interested in opportunities to **show off leadership** and to help in your **local community**? Consider becoming a [Poll Worker](#) for the upcoming election!
- The **AAMC** has made several updates to their **Official MCAT Prep Portfolio** - including making the MCAT Official Prep Sample Test a FREE Resource. [Check out more here!](#)

## Today in the Know

Have you heard about the "Hoverboard Dentist?" Well now he is facing 12 years on charges of Medical Fraud. Moral? You don't practice any kind of medicine for the likes ... [find the whole story here!](#)

## Alumni Spotlight

This week we are highlighting **Allegra VanderWilde** - a recent UP alum who is just starting her medical school journey at the University of Washington School of Medicine! We wish Allegra all the best. [Read more here.](#)

## Test Prep Question of the Day

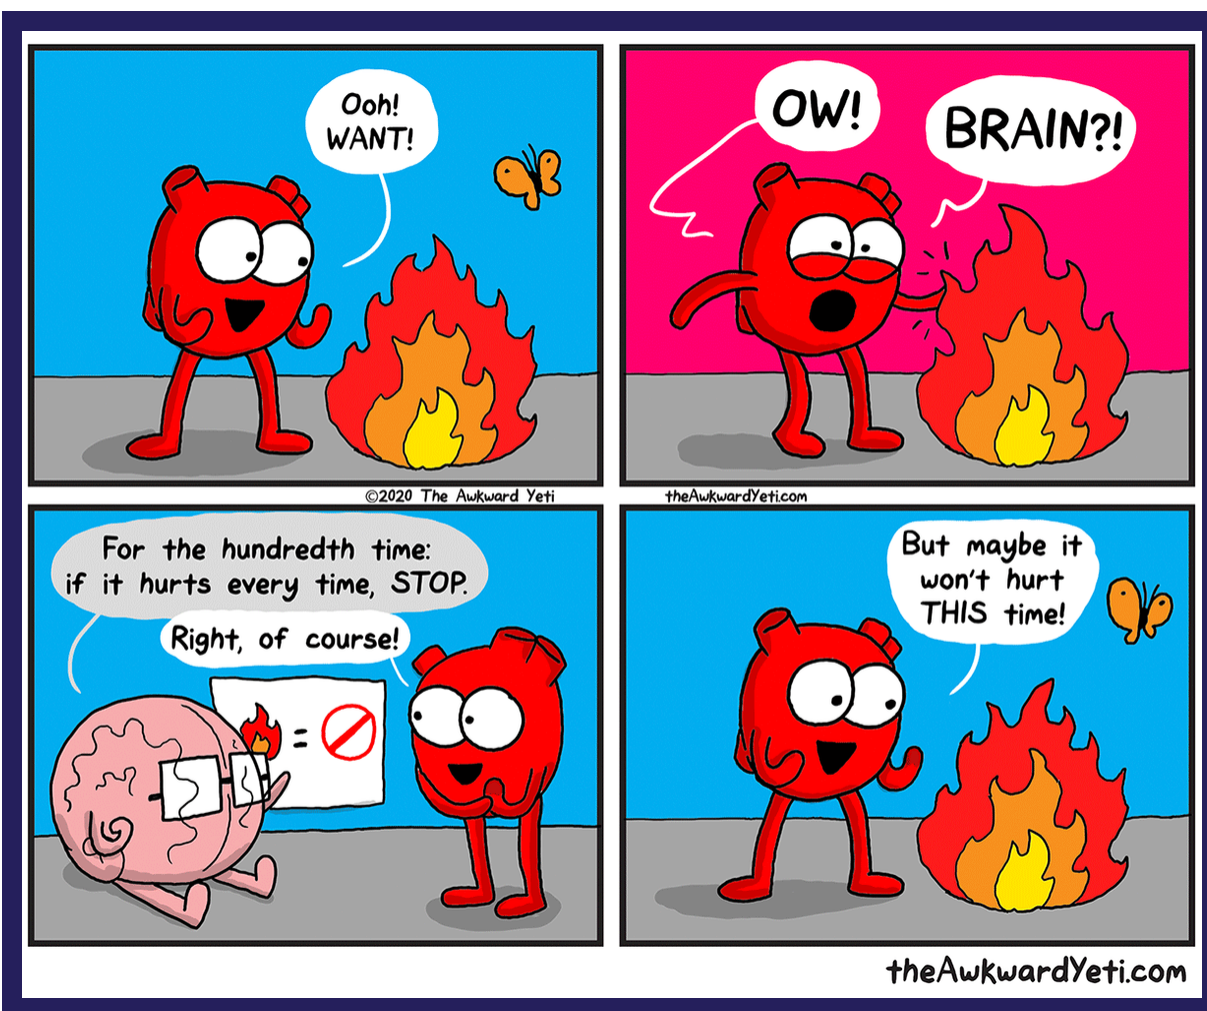

This week's test prep question comes from the DAT:

Mixture A is formed using KCl and H<sub>2</sub>O and mixture B is formed using MgCl<sub>2</sub> and H<sub>2</sub>O. If the two mixtures have the same molality, which of the following statements would be true about the boiling point of the mixtures?

- A. Mixture A would have a higher boiling point
- B. Mixture A would have a lower boiling point
- C. Mixture B would have a lower boiling point
- D. The mixtures have the same boiling point
- E. The mixtures would vaporize at the same rate

*Answer is at the very bottom of the Newsletter!*

**Questions? Concerns? Need an Advising Appointment? Contact Us!**

DAT Question Answer: B
