A Note from Parent to Parent

Spring is winding down and summer is upon us and with that, Covid restrictions are lifting. We are opening up for more events in person, but do ask that you self-screen and check your temperature before attending. Also, masks will be required unless we are able to be outdoors and/or 6 feet apart. We want to keep everyone healthy to enjoy the summer months and the many activities that are happening. I encourage you to check out our [website](#) and also the opportunities with our community partners like the [City of Walla Walla](#) and the [YMCA](#) or the school [Summer Sol](#) program for all Walla Walla Public School students.

Remember we are here for you and would be happy to meet in person or via zoom. Please call us to set up an appointment.

Sincerely,
Angie and Ysabel
