Spring 2022 Instructor's Orientation

Are you familiar with the technology in your classroom?

If you would like to become familiar with the technology in your Spring 2022 classroom, you are encouraged to visit the classroom before the semester begins. These tours are typically held during the first week of classes. Please review the following information and let us know if you need assistance!

Where are you teaching this semester?

If your classroom is in Frey Hall, please visit one of our service desks in Frey Hall 118 (for Frey rooms only); Frey Hall 222; or HSC Level 2, Room 2-270. Call 631-632-9400 (All West Campus except Frey); 631-632-9499 (Frey); 631-444-3230 (HSC). Email: classrooms@stonybrook.edu (For West Campus) or HSCclassrooms@stonybrook.edu (For Health Sciences).

If your students do not have a laptop, they can borrow one during the exam, chat support is available from Respondus.

New equipment reservation platform coming soon, pilots wanted!

We are piloting an online reservation system for portable classroom technology this Spring 2022 called SOLAR. The system is now available foriju use. If you are interested in using the system, please see the following information and let us know if you need assistance!

Lecture Capture

Did you know that Blackboard provides Echo360 as a lecture capture system/solution?

If you are teaching in a classroom that has Blackboard (Stony Brook's LMS) and you would like your course recorded, make sure you notify the classroom technology specialist (SB Tech) before the semester begins. You must have your Blackboard Universal Capture (All West Campus except Frey); 631-632-9499 (Frey); 631-444-3230 (HSC) to register.
