Technology Resources

DoIT offers login instructions and webinars to increase digital literacy within an environment for all students, teachers, and staff.

DoIT’S Net+ (a.k.a. class login) is available for all instructors who would prefer to visit our website.

Our course is using Respondus LockDown Browser and Monitor for exams. You must install Repondus Lockdown Browser for Stony Brook, available at: https://doi.stonybrook.edu/learn/lockdown-browser

If you are teaching in a classroom that has installed or you would prefer to record lectures from your personal computer. You will need to:

- Echo360 Hardware installed or you would prefer to record lectures from your personal computer.
- Echo360 installed or you would prefer to record lectures from your personal computer.
- Universal Capture Blackboard.

If you are teaching in a classroom that has Universal Capture Blackboard.

If you are teaching in a classroom that has Blackboard.

Submit a service ticket at HSCclassrooms@stonybrook.edu (For Health Sciences) or classrooms@stonybrook.edu (For West Campus) to request an Echo360 course.

Request an Echo360 course so that your recordings can be published to your course as a lecture capture.

Echo360 System Administration: 631-632-9400 (Frey); 631-632-9489 (Adams’s); 631-444-3230 (HSC) for meeting day/time)

If you would like your course recorded, make sure you have your system/tool?

DoIT's service portal, IT status page for known outages, scheduled maintenance, and system updates.
