Spring 2022 Instructors, DoIT is here to help you!

Stony Brook's Spring Semester starts on January 24, 2022. This newsletter is for instructors who are interested in using technology with their classes this Spring and contains additional information:

**Topics Include:**
- Online Exams (Respondus)
- Lecture Capture (Echo360)
- Classroom Technology Services & Support
- Alumni
- Student Technology Workshops
- Summer
- Online Resources
- Residential Network & "Wipe" Your PDA for the Student

**Please send all feedback and suggestions to:** instructorfeedback@stonybrook.edu

---

**Classroom Technology & Support**

**Where are you teaching this semester?**

If your students do not have a laptop, they can borrow one from the North Reading Room, 112 (all other West Campus Buildings) or HSC Level 2, Room 2-270.

**Are you having trouble connecting to a system and are wondering if your students have access to your course materials,**

Emergency equipment reservation platform coming soon, piloters wanted!

---

**Technology Resources**

**Zoombled in learning something new?**

DoIT offers live webinars and workshops to increase digital literacy skills on campus for all students, faculty and staff. DoIT offers live webinars and workshops to increase digital literacy skills on campus for all students, faculty and staff.

**In addition, help links are available on all course sites for you and your students!**

---

**Classroom Technology Services & Support**

**Lecture Capture**

Did you know that Stony Brook provides [Echo360] as a lecture capture system/text?

If you are teaching in a classroom that has [Echo360] installed or you would prefer to record lectures from your personal computer, you will need to:

- Echo360 installed or you would prefer to record lectures from your personal computer
- Universal Capture
- Blackboard.

Thursday 1/22/22. Once recorded, you can publish your recording(s) to a Moodle course or share upwards to a Blackboard course.

**Online Exams (Respondus)**

[Respondus Lockdown Browser & Monitor](https://download.respondus.com/lockdown/download.php?21.2)

You must install Repondus Lockdown Browser for Stony Brook, available at:

You can also make an appointment to access our [Classroom Services](https://it.stonybrook.edu/services/classroom), if you have any questions.

---

**Classroom Technology & Support Solutions Services deals are available in Freey Hall 118 (all other West Campus Buildings) or HSC Level 2, Room 2-270.**

---

**Classroom Technology Services & Support**

**Online Exams**

For your exams this semester, you are encouraged to visit a service desk before the semester begins. These desks are located in Frey Hall 118 (all other West Campus Buildings) or HSC Level 2, Room 2-270.

---

**Classroom Technology Services & Support**

**Lecture Capture**

Classroom technology has transformed over the years to reflect a new logo for the technology services department. The logo reflects a new look for Technology Services, with modern lines and bold colors.
