Action Required: Important Summer Change (New Texting Number 304-304)

All summer materials (printed and digital) that contain the previous texting tool phone number **must** be recycled. The number has changed. TDA will be sending schools new posters (3 per campus) and parent information cards (1 per enrolled student) this month (February) and in March. This is to assist schools in meeting the federal requirement to ensure all enrolled students know about the availability of summer meals. **Schools must ensure materials are distributed.** Sponsors and sites will be given the opportunity to order new summer materials very soon.
