Micropeel for \$110

Micropeels are a wonderful treatment for the summer with no downtime. We begin with dermaplaning to remove the top layer of dull skin cells. This allows the chemical peel to penetrate better for a natural glow.

Schedule a Micropeel in July with Hana and Amber Nicole and receive a *FREE* ZO Intense Eye Cream with eye pillow.

Revitalize Treatment for \$200

This "3 in1" laser combo consists of dermaplaing to remove the top dull layer of skin, laser genesis for collagen stimulation, and a light chemical peel for summer glow.

* Schedule with Erin Lambert, Christi Vogt, Erin Larson, and Amber Schultz

Book Ahead For August!

We know that summer is busy so we are making it easier to book ahead for August!

Microneedling

Microneedling is used to treat and improve conditions like acne scars, fine lines and wrinkles, skin texture, pore size, brown spots, stretch marks, and pigment issues. In August receive a FREE "Getting Skin Ready" kit (\$65 value) with your microneedling treatment.
