An Excruciatingly Opinionated Guide to the Connecticut Shoreline

SHOP CALENDAR EAT DISCOVER TRAVEL TOWN GUIDES

We've been working on balancing everything from our meals to our chakras

over here at The E List, and we've found a few things that might help (although I always say balance is overrated). But we're thrilled to have access to some energizing elixirs right across the street at Tonic, and we had a personal-chef-to-famousyogis come over to the office and feed us a feast of healthy fare.

AND, to entice you to check out our fall collections and capsule wardrobe, we're offering E List readers 20% off on our stellar selection of jeans. Come on in and try and on a few pairs. All this and more below.

Love, Erica

## Herbal Teas and Plant-Based Potions at Tonic, Chester

### A Revisit to Vintage, Colchester

I generally don't write a duplicate review for a restaurant unless something massive has changed (new direction, renovation, new management), but in the case of Vintage I just can't help but give it another shout out. I also avoid the cliche "hidden gem," but it holds here...

# Jeans on Sale in the Shop!

When you need a fall update, a good place to start is denim. Our selections for the season run from mid-rise to high-rise and straight to slim with a few wide-legs thrown in. We still love the frayed edge from Parker Smith and have

a darker version in stock, and our classic 3 x 1 straight leg comes in medium wash, dark wash, and black. A new jean, Colette, has a slimmer leg (but not skinny) and a higher waist, we call it the sexy jean. And a new high-waisted vee-yoke is an eighties update and looks good on everyone. Happily made in the USA.

# Come try our jeans and take 20% off through Sunday, September 22nd. (In-store ONLY)
