*In-Person | [3145 Porter Drive, Palo Alto, CA 94304](#) | Limited seating, please [REGISTER](#)

Since 2002, the Community Health Symposium at Stanford School of Medicine has served to showcase the work of Stanford students, trainees, staff, faculty and community partners in underserved communities in California and around the world. This symposium is an opportunity to celebrate and elevate the incredible work of our community partners, and to foster collaboration, conversation and idea sharing.

ENGAGE

SUBMIT ABSTRACTS

Stanford undergraduate, graduate, and professional program students, staff and faculty members, are invited to submit abstracts for the Symposium.

-Abstracts should be community health projects that you have completed with underserved populations and/or aimed at improving population health outcomes locally, nationally, or globally.

-Accepted submissions will be asked to present a poster of their work at the Symposium.

DEADLINE | Friday, March 11, 2022, 11:59 PM

BECOME AN EXHIBITOR

Join other exhibitors in showcasing your program and services! Whether you are looking to amplify your program, department, or organization, this virtual platform will allow you to network with community-engaged individuals/organizations, build new partnerships, and/or nurture existing relationships.

DEADLINE | Friday, March 11, 2022, 11:59 PM
