Since 2002, the Community Health Symposium at Stanford School of Medicine has served to
unveil the work of Stanford students, residents, staff, faculty, and community partners in
understanding communities in California and around the world. This symposium is an open
forum to foster relationships with our community partners, and as a leader, collaborate,
communicate, and take action.

HOSTED BY STANFORD MEDICINE

650-725-5623 | 1-888-725-5623 | communityhealthsymposium@stanford.edu

REGISTER TODAY

Wednesday, March 23, 2022 | 4 – 6:30 PM

Maximizing the health of our communities through collaborative community partnerships

**DEADLINE** | Friday, March 11, 2022, 11:59 PM

**SUBMIT ABSTRACTS**

- Abstracts should be community health projects that you have completed with underserved populations and/or aimed at improving population health outcomes locally, nationally, or globally.
- Accepted submissions will be asked to present a poster of their work at the Symposium.

**BECOME AN EXHIBITOR**

- Accepted submissions will be asked to present a poster of their work at the Symposium.
- Whether you are looking to amplify your program, department, or organization, this virtual platform will allow you to network with community-engaged individuals/organizations, build new partnerships, and/or nurture existing relationships.
- Since 2002, the Community Health Symposium at Stanford School of Medicine has served to unveil the work of Stanford students, residents, staff, faculty, and community partners in understanding communities in California and around the world. This symposium is an open forum to foster relationships with our community partners, and as a leader, collaborate, communicate, and take action.

**SIGN-UP FOR CME’S**

- DEADLINE | Friday, March 11, 2022, 11:59 PM
- Accepted submissions will be asked to present a poster of their work at the Symposium.
