

Dear Colleague

Happy New Year! I hope you had an amazing holiday season with your loved ones and that 2023 brings to you lots of joy, good health . . . and business!

Jane is just back from visiting **La Coralina Island House** in **Panama**, during which she explored the **Bocas del Toro** archipelago and experienced many treatments and activity at La Coralina Spa (*what a hard life!*). She will soon be conducting a webinar to share all details on her trip with you. Stay tuned!

I'm arranging final details on the in-person sales calls I'm doing together with our friends at **Cruceros Australis** in **Reno**, **Sacramento** and **Truckee**. If you're in that area, want to meet us and learn a bit more about our clients in **Ecuador**, **Colombia**, **Chile** and **Panama**, please drop me a line.

If you're looking for a special destination or incredible **last-minute deals** (like the ones from our clients in the **Galapagos Islands** and **Torres del Paine National Park**), I highly recommend that you take a good and deep read of this newsletter.

As usual, should you have any questions, maybe a last-minute request or want to book a virtual meeting with me, I'm always here for you!

Enjoy reading! Best regards,

Ana, on behalf of The Emerging Destinations team (Jane + Jenna + Ana)
