New Student Orientation Update

Students will be recalled to a Canvas course (similar to how you were enrolled for START in the week of August 24) during the week of September 8. During this time, you will be able to view virtual modules required of students who participate in the resident assistant program. Virtual modules for students who are not resident assistants will be available at a later date. The final schedule for the weekend will be posted online.

If you have any questions please feel free to contact the Dining Plan/Eagle ID Card office (uwlcardoffice@uwlax.edu). Be sure to include your name, ID number and a phone number where you can be reached.
