An Excruciatingly Opinionated Guide to the Connecticut Shoreline

Hi,
After the weirdest spring ever, it's Memorial Day weekend and the kick-off to summer on the Shoreline! And to celebrate, we're offering up our annual issue of all things summer: Farmers' Markets, Fun & Festivals, and Summer Music. Just compiling these lists gets us excited about locally-grown food, long, lazy weekends and SUN. Save this list so you can refer back to it, or find all our articles on our website: **theelist.com**. You can always browse around there if you've missed something.

Enjoy!

Shop The E List: Kurtas!

Alicia Bell has been designing hand-printed Kurtas since 2000 and arguably could have single-handedly brought this summer staple back to life. These are the originals: classic tunics in a lightweight, soft and flowy silk and cotton blend, hitting mid-thigh, and work well as a beach cover-up, or pair with jeans or white pants in high summer. Hand-printed in India.
