2024 Year-End Overpayment Recovery Deadlines

The Internal Revenue Service (IRS) states that repayment of a payroll overpayment must occur in the same year as the overpayment. This repayment ensures that the employee's earnings and taxes for the current year are correctly reflected in their W-2 issued in January.

- Please submit adjustment requests for overpayments occurring between January 1 through October 1, 2024, **no later than October 18, 2024**.

- UCPath Center will prioritize all overpayment adjustments received by October 18. UCPath Center may not be able to process year-end requests that are received after this deadline within the current year.
- Employees who received overpayment packets from UCPath Center must arrange repayment as soon as possible.

Improved Visibility for Future-Dated Hires and FTE Changes

As of Tuesday, October 1, 2024, UCPath Center has released an enhancement that improves visibility for future-dated hires and FTE changes across all locations.

This update to the Person Organizational Summary view delivers a solution that addresses the previous limitation of displaying only current job data. With this enhancement, future job data rows will be visible, providing clearer insight into upcoming hires and FTE changes.

This will reduce errors, streamline workload and make processes smoother across the UC system, especially when managing concurrent hires. Refer to the [View Person Organizational Summary Job Aid](#) for more information.

Coming Soon: UCPath Projects: November Release

The following projects are scheduled to go live in November 2024 as part of the UCPath November Release:

1. **Rewrite GL Assessments Phase 2:** This project will consolidate, centralize and streamline the generation of assessment information, such as:
 - Calculating assessments after summary and detail labor ledger results are generated adhering to new service level agreements (SLAs)
 - Separating assessments into individual processes independently of other GL processes
2. **Direct Entry Enhancements:** The Direct Entry (formerly known as [Hire Pilot](#)) enhancements will allow Early Adopters from Central Offices to transact using the new **Manage Human Resources** tile **before** all transactors can transact within the tile.
3. **Automate Security Deprovisioning:** This project will automate the deprovisioning of security when an employee transfers from one location to another. Only local UCPath Security Administrators will be impacted.

More information about these projects will be shared in the following weeks.

Feedback Wanted: UCPath Un-Happy Path

We are gathering examples of instances where UCPath Center provided conflicting or incomplete guidance regarding specific scenarios or transactions. The goal of this project is to identify patterns and help UCPC provide better resources for the Un-Happy Path.

- **Happy Path:** When transactions are entered on time and correctly
- **Un-Happy Path:** When transactions are entered late or incorrectly and need to be fixed

Please submit any examples you may have to ucpathproject@ucsd.edu.

UCPath Budget Distribution Page is Live!

The new UCPATH Budget Distribution Page (BDP) is now live as of Wednesday, September 25, 2024! To prepare you for the changes, the Campus Budget Office (CBO) has created a new [UCPATH CORE: Budget Distribution Page \(BDP\) Module](#) to provide an overview of the BDP functionality.

BDP will be used to identify the faculty and staff positions to be included in a department's core recurring staffing list that will drive the compensation expense budgets in EPBCS. Access to BDP will require the completion of two short training modules on the UC Learning Center:

- [UCPATH CORE: Overview](#)
- **NEW!** [UCPATH CORE: Budget Distribution Page](#)

CBO will also be holding [several instructor-led training sessions](#) to cover the processes for searching, entering and updating budget distribution data with BDP. If you are responsible for **providing guidance on position funding entries** or **overseeing compensation budgets in EPBCS for your department**, please plan to attend.

Additional Resources:
