Finding the Perfect Student Org: Meet with an Involvement Assistant!

Looking for ways to engage as a Laker this fall? Jillian Smith and Madelynn Lutenski, two of GVSU's involvement assistants, offer wisdom on why it's so important to get involved. Learn what an involvement assistant is and how you can start the search for an organization of your own.

Ready, set, get involved!

CAB and RHA present:

Getting Connected with Laker Familia

Laker Familia is a program dedicated to providing a community for Hispanic and Latino/a/e students while putting on different events, programs, and activities at Grand Valley. Through Laker Familia, students are able to learn more about their own and each other's cultures. With National Hispanic Heritage Month running from September 15 to October 15, what better way to close it out than by spotlighting Laker Familia?

What is Laker Familia?
