NOTEWORTHY

Co-Curricular Certificate Program

GW Ranks 2nd Nationally in Service
Since 2005, the Washington Monthly has ranked colleges in the Service category. GW Ranks 2nd Nationally in Service with a score of 2.88. GW ranks are based on a range of factors, including enrollments in service-learning classes, amount of time spent volunteering, and amount of money raised for student scholarships.

The Wells Fargo Student Impact Scholarship
The Wells Fargo Student Impact Scholarship is an annual competition that provides select teams from colleges and universities across the U.S. with up to $60,000 in funding to address challenges that face the next generation. If you're a student impact maker, working to make a difference in your community, and have been passionate about and can get involved with a cause, organization, or find a project that you are passionate about and can get involved with, apply to the Wells Fargo Student Impact Scholarship.

Fall Community Service Fair
Meet and learn from community organizations and find a project that you are passionate about and can get involved with.

Raise Up GW Co-Curricular Certificate Program
Apply to the Raise Up GW Co-Curricular Certificate program! This program allows students to strengthen their civic leadership knowledge and skills and provides an opportunity for GW students to gain knowledge of on-campus well-being services.

Civic Leadership Certificate Program
Apply to the Civic Leadership Certificate program! This program is hosted by the Nashman Center and provides opportunities for GW students to understand, reflect on, and apply core civic leadership concepts.

GWServes by Connect & Serve Virtually
GWServes is a service and leadership organization for undergraduate women. ESA is an alternative Greek community that aims to provide leadership opportunities for undergraduate women. In order to join ESA, you must be interested in taking our quick volunteer matching quiz or connect & serve virtually!

GWTeach Program
The GWTeach Program provides you with the opportunity to teach engaging, hands-on science and math lessons to local DC students! With GWTeach you can explore DC's communities and work with engaging, hands-on science and math lessons to local DC students!
