**NOTEWORTHY**

**Co-Curricular Certificate Program**

Apply to the Co-Curricular Certificate Program to develop valuable skills, gain unique work experience, and enhance your college experience. To learn more, visit [www.gwu.edu/co-curricular](http://www.gwu.edu/co-curricular).

**NSLHEC**

The National Student Loan Health Education Corporation (NSLHEC) is a non-profit organization dedicated to providing information and resources to help students make informed decisions about student loans. Visit [www.nslhec.org](http://www.nslhec.org) for more information.

**NASHMAN CENTER PROGRAMS**

**GW Nashman Center Virtual Office Hours**

Open Positions at Nashman Center

**COMMUNITY OPPORTUNITIES**

**Civic Leadership Through Up to Us**

GW is now inviting student social innovators to apply to the Up to Us Campus Competition. This annual competition provides select teams from colleges and universities across the U.S. with the opportunity to earn up to $50,000 in funding to turn their ideas into reality. Apply now.

**Connect & Serve Virtually**

Connect & Care has focused its operations on pairing young people with local community organizations to increase youth engagement in non-profit initiatives. Since March, Connect & Care has engaged 9,725 people and plans to reach 25,000 by the end of the year.

**Civic Leadership Certificate**

Since 2005, the Washington Monthly has ranked colleges based on their commitment to community service. GW is ranked 2nd in the category for service.

**Up to Us Campus Competition**

If you're a student impact maker, working to make a difference in your community, and have been passionate about and can get involved with a cause, organization, or find a project that you are passionate about and can get involved with, apply to the Up to Us Campus Competition. This annual competition provides select teams from colleges and universities across the U.S. with the opportunity to earn up to $50,000 in funding to turn their ideas into reality. Apply now.

**Fall Community Service Fair**

Sat., Sept. 19, 1:00pm-3:00pm ET, Remote

GW is hosting its fall Community Service Fair to help students connect with community organizations and find a project or cause that aligns with their interests. Connect & Serve Virtually will be hosting a table to provide information about their work and how students can get involved.

**GWServes Program**

GW is enhancing its commitment to civic leadership by expanding the GWServes program. The program provides an opportunity for GW students to strengthen their civic leadership knowledge and skills through various events and programs. Register now.

**The GWTeach Program**

GW is offering a Co-Curricular Certificate Program for students interested in teaching. The program provides students with the opportunity to gain hands-on experience teaching science and math to DC students through the GWTeach Program. Apply now.

**CGI-U Call for Code Challenge**

CGI-U is now inviting student social innovators to apply to the Call for Code Challenge. Students will have the opportunity to participate in a hackathon to develop solutions to real-world challenges. Learn more.

**Up to Us Challenge homepage**

GW is hosting its fall Up to Us Challenge to help students turn their ideas into reality. The challenge provides select teams from colleges and universities across the U.S. with the opportunity to earn up to $50,000 in funding to turn their ideas into reality. Apply now.

GWTeach programs are available to GWTeach students. With GWTeach you can explore DC's communities and work with engaging, hands-on science and math lessons to local DC students! The GWTeach Program is co-hosted by the Nashman Center and the Office of Student Life.

**New! Nashman Center Virtual Jumpstart at GW**

Presented by: Rochelle Yancey, Senior Site Manager, Inclusive Recruitment and Retention

Join Rochelle Yancey for a virtual Jumpstart at GW webinar to learn about the various opportunities available to GW students and the resources and content experts to engage with and help bring ideas to life. Learn more.

**GWTeach Program**

GW is offering a Co-Curricular Certificate Program for students interested in teaching. The program provides students with the opportunity to gain hands-on experience teaching science and math to DC students through the GWTeach Program. Apply now.

**GLOBAL TEACH**

GW is offering a Co-Curricular Certificate Program for students interested in teaching. The program provides students with the opportunity to gain hands-on experience teaching science and math to DC students through the GWTeach Program. Apply now.
