UAH turns 55: Celebrate The University of Alabama in Huntsville's past, present and future in 2024

UAH officially became an autonomous university within The University of Alabama System on June 16, 1969 – 55 years ago in 2024. Join us as we celebrate the people and achievements that have brought us to where we are today: a Carnegie R1 top-tier research university with eight colleges, more than 100 areas of study and 17 high-tech research centers.

UAH students learn about diverse FBI career opportunities at internship information session

UAH students learned about FBI career opportunities and how to apply for them during an information session on Feb. 20 about the 2025 FBI Honors Internship Program. One of the biggest takeaways: No matter what your major, the agency can use your skills. FBI recruiters from the Birmingham field office described some of the available positions plus student opportunities and the benefits that come from working for the federal government.
