The LMU Study Abroad team wishes you a restful summer!!

Congratulations to the 2022 graduates! You made it! and bon voyage to our outbound 2022 summer and fall semester students!

COMING SOON
SPRING 2023 PROGRAMS
LMU semester programs offer an immersive academic experience abroad. The applications for spring 2023 will open over the summer. This newsletter to Chapter III.

Start planning your study abroad experience now! Access our study abroad guide to understand the basics.

- The first step is to do some research in this stage. Students decide what they would like to do abroad, and start exploring the various study abroad programs.
- Students can narrow down their choices by looking at the program's locations, dates, and costs.
- Submit an application early and check for eligibility and financial aid.

Not ready to study abroad yet? Complete our interest form to receive important updates to help you plan your study abroad experience!

Welcome Back!
Spring 2022 study abroad students, we hope you find ways to use your experiences and new perspectives with other LMU students. The following checklist will give you a start on how to accomplish this goal. Read more.

OFFICE OF NATIONAL AND INTERNATIONAL FELLOWSHIPS (ONIF)
