## Job Opportunity: Research grant in Computer Science and Engineering under project SyNAPSE

A Call is open under the scope of project CMU/TIC/0083/2019, funded exclusively by Fundação para a Ciência e Tecnologia (FCT) under the scope of the CMU Portugal Exploratory Project SyNAPSE. The candidates should have an MSc Computer Science and Engineering or related areas. The grant holder will: learn the internals of programming smart network equipment and catalog the requirements, constraints, and limitations of each platform; help build the first SyNAPSE research prototype synthesis engine and develop optimizations for the synthesis engine to offload functionality to the smart devices.

**Institution:** INESC ID

**Application Deadline:** 14 Dec 2020, to start in January 2021
