A Note from the President

Dear Tiger Families,

Happy New Year! While 2016 certainly brought its fair share of challenges, I am proud to say that our students, faculty, and staff responded admirably and achieved many great things throughout the past 12 months. In fact, a physicist from LSU's College of Science was named one of the top 10 scientists in the world by the prestigious

scientific journal Nature just as December wound to a close. This is just one example of the expertise your Tiger has access to at LSU – there are many, many more, and I'll be sharing those with you as we progress through the new year.

I hope you were able to spend some quality time with your Tiger during the holiday break – and it isn't over yet. Before your student heads back to campus on Jan. 11, please take a moment to encourage him/her to get prepared before returning to school in order for a strong finish to the academic year.

I hope 2017 brings great things to you and your family, and I know you'll see outstanding accomplishments from the LSU community. As always, thank you for trusting us with your Tiger.

Sincerely,

F. King Alexander

LSU President
