The text reads:

**Dear LSU Tiger Family,**

As the academic year comes to a close, we wanted to take a moment to reflect on the year that has passed and look ahead to the future. The past year has been one of growth and change, and we are proud of all that our Tiger family has accomplished.

First, we would like to extend a special thanks to all of the students who have contributed to the college experience. From the new freshman class to the upperclassmen who are graduating, each student has added their own unique character and energy to our community. We are grateful for the opportunities that LSU provides for students to learn and grow.

Second, we would like to recognize the hard work and dedication of our faculty and staff. From the classroom to the laboratory, from the library to the athletic field, your commitment to excellence is what makes LSU a special place. We are blessed to have such a talented and dedicated group of professionals on our team.

Finally, we would like to acknowledge the Tiger families who have supported their children throughout the academic year. Your love, encouragement, and guidance have been invaluable to your students.

As we look ahead to the coming year, we are excited about the possibilities that lie ahead. We encourage all Tiger families to stay involved on campus and to continue to support the Tiger family.

Thank you for your continued support of LSU.

Sincerely,
