A Message from the Department Chair

Suzanne Boyd

Welcome, welcome, welcome to the start of the Spring semester! Please contact your campus consultant, and don’t forget about the Mathematical Sciences Facebook page! If you have questions or concerns, you can always email me or reach out to one of our students who can be a great resource.

Class Coverage Procedures

If you have a class session for which you do not have a teaching assistant, the classroom will be available for you to teach your class. If you need to cancel a class session, please email the Ph.D. who is currently teaching your course.

Katie Shelly

Reminders for Instructors

Spring 2020 Policies and Procedures Instructor Memo

Dear Colleagues,

Please submit all required forms online. If you have any questions, please contact the Department Office.
