A Message from the Department Chair
Suzanne Boyd

Welcome back to the busy, bustling halls of the Math Sciences Building after the academic break. I wanted to take a moment to express my gratitude to everyone who made our department a success this past semester.

Last semester was a wonderful experience for us all. It was a time of learning, growth, and discovery. Our students and faculty worked tirelessly to achieve great things, and I am proud of everyone who contributed to that success.

In addition to teaching and research, our department also hosted a number of events and activities. Our department website is a great resource for students and faculty alike. Please be sure to check it out and participate in our community.

Yours sincerely,
Suzanne Boyd

Reminders for Instructors
Spring 2020 Policies and Procedures

Class Coverage Provision
For a class that you are not able to teach due to illness or family emergency, you should contact the department chair and discuss plans for finding a substitute. This process should be completed in a timely manner and within twenty-four hours at the latest.

Study Group Policies
Please note, the Math Department allows study groups in our classrooms. However, if you are teaching a class with a “W” on record, you may not allow study groups in your classroom. If you have questions or requests, please contact the Math Department.
