

LEADERSHIP SPOKANE

Happy March, alums! March always feels like a month for celebrating: from St. Patrick's Day to March Madness (and who could forget National Canadian Bacon Day?!), so we wish you all the green beer you could desire and winning brackets! We're excited to be able to bring back in-person events this month, so stay tuned to your e-mail and the Alumni Facebook group (<https://www.facebook.com/groups/1913778138850572>) for all the latest on events and happenings.

Mark your Calendar!

- March 19 – Spokane Chiefs Family Night (6:05pm, Spokane Arena)
- March 31 – Book Club (6:00pm, Market Street Pizza)

Connect with a Classmate Challenge

It was SO much fun to see all your smiling faces as you connected with fellow LS alums in February! We hope you all enjoyed catching up with friends and classmates and that, even without the possibility of a prize, you keep the fun going. Congrats to Sarah

Lickfold and Jen Westra, class of 2020, for winning the randomly chosen drawing that

earned them an extra drink ticket at the Cheers to 40 Years Gala! Special kudos also go to the class of 2016, who used the challenge as an excuse to stage a “pop up party” at Rain Lounge!

Applications Now Open!

Do you know someone who would be a great addition to our ranks? Encourage them to apply for next year's Leadership Spokane class! Applications are open until March 25, so spread the word and help build the class of 2023. Application

Spokane Chiefs Family Night

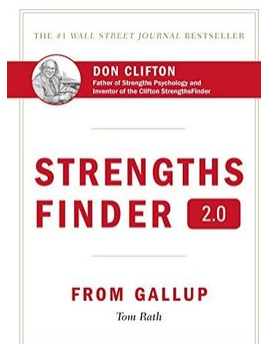

There's still time to join us for the Spokane Chiefs family night on Saturday, March 19th! Don't miss your chance to watch the game from the party area on ground level, including a bar area to purchase drinks.

Tickets are \$17/adults and \$11/children. Get your tickets here:

Note: if you have a credit from the original March 2020 event, contact Britt DeTienne at bdetienne@spokaneairports.net for help applying that to the upcoming game.

Book Club - Thursday, March 31

The Alumni Book Club meeting, originally scheduled for January, will occur on March 31st at 6:00pm. We'll be looking at the book Strengths Finder 2.0 by Tom Rath. Strengths Finders is an assessment that helps individuals discover their top talents and employ strategies that allow them to leverage their talents to better themselves and change the way they look at themselves and the world around them.

We'll be meeting at Market Street Pizza (2721 N. Market Street). We've reserved the back room of the restaurant for our group. Not only will we have a great conversation, but we can also enjoy some great food and beverages while doing so! (Note: vegetarian and gluten-free options are available.)

After purchasing the book from your preferred retailer, follow these steps:

- 1) Read the first 31 pages of the book
- 2) Complete the assessment
- 3) Read and process your strengths
- 4) Test and validate your strengths as if what it told you was 100% true
- 5) Come to our discussion ready to discuss what you uncovered, ready to share about yourself, and excited to learn about others!

If you haven't already, grab your copy of Strength Finders 2.0 today and plan to join us on March 31st!
