Dear [Name],

As you may know, we have made the difficult decision to close all of our on-campus operations for the remainder of the Spring Quarter. This is obviously having a large impact on our graduate student community and we are all in the midst of an incredibly challenging time in the global response to the COVID-19 virus. In an effort to minimize the risk of exposure in the Santa Barbara community, UC Santa Barbara is offering only remote instruction for Spring Quarter. Additionally, all on-campus research has been shut down.

While we have had to make adjustments to our programs, we are committed to providing all of their regular services via email and Zoom calls. The staff in the Graduate Division are working hard to assist them in this difficult period.

Do you have a milestone that you would like to share? Contact John Lofthus at john.lofthus@ucsb.edu.

Sincerely,

Anne and Michael Towbes Graduate Dean
Dr. Carol Genetti

FAQs

Coronavirus Resources for Graduate Students

UC Santa Barbara has created a set of resources for graduate students during the COVID-19 pandemic. These resources include information on remote instruction, remote work, mental health support, and more. For more information, please visit the UC Santa Barbara website.

Graduate Milestones

Graduate students are encouraged to share their milestones with the University. These milestones may include defense dates, graduation dates, promotions, and other achievements. To share your milestone, please contact John Lofthus at john.lofthus@ucsb.edu.

Graduate Student Research

Graduate students are encouraged to share their research with the University. This may include information on their research projects, publications, and presentations. To share your research, please contact John Lofthus at john.lofthus@ucsb.edu.
