A Message from Dean Genetti

Friends,

We are all in the midst of an incredibly challenging time in the global response to the COVID-19 virus. In an effort to minimize the risk of exposure in the Santa Barbara community, UC Santa Barbara is offering only remote instruction for Spring Quarter. Additionally, all on-campus research has been shut down. This is obviously having a large impact on our graduate student community and we appreciate your understanding.

While this situation has caused significant changes to our operations, we are working hard to ensure that students continue to receive the same great world class education that you have come to expect from UC Santa Barbara.

We have created a set of FAQs that resides on the GradPost and that we are sharing with you here. If you have any additional questions, contact John Lofthus at llothush@ucsb.edu.

Do you have a milestone that you would like to share? Contact John Lofthus at llothush@ucsb.edu.

We hope that you and your loved ones remain healthy and well during this time.

Sincerely,

Dr. Carol Genetti
Anne and Michael Towbes Graduate Dean
