A Message from Dean Genetti

April 2020

Dear UC Santa Barbara community, UC Santa Barbara is offering only remote instruction for the remainder of the spring quarter. This move is necessary to prevent the spread of COVID-19.

We are all in the midst of an incredibly challenging time in the global response to the COVID-19 pandemic. As we work to contain the spread of the virus, we must also work to support the many members of our UC Santa Barbara community who are facing new and different challenges.

Our students continue to receive the same great world class education that you have always come to expect from UC Santa Barbara. Our faculty are providing all of their regular services via email and Zoom calls. Our staff is working hard to assist them in this difficult period.

The University is obviously having a large impact on our graduate student community and we want to do everything that we can to support them. The Graduate Division is working hard to assist them in this difficult period.

We are grateful to our graduate students for their continued efforts to adapt to this new normal. We are also grateful to our faculty and staff for their continuing support of our graduate students.

Sincerely,
