Dear Friends,

A Message from Dean Genetti

April 2020

We are all in the midst of an incredibly challenging time in the global response to the COVID-19 virus. In an effort to minimize the risk of exposure in the Santa Barbara community, UC Santa Barbara is offering only remote instruction for Spring Quarter. Additionally, all on-campus research has been shut down. This is obviously having a large impact on our graduate student community and we understand that this may be affecting you directly.

To continue receiving our emails, add us to your address book.

We appreciate all of your support as we work hard to ensure that our graduate students continue to receive the same great world class education that you have come to expect. We are all in this together.

We have created a set of FAQs that resides on the GradPost and that we are constantly updating. Our staff has been meeting with graduate students virtually to provide them with all of their regular services via email and Zoom calls. In the Graduate Division are working hard to assist them in this difficult period.

Anne and Michael Towbes Graduate Dean
Dr. Carol Genetti

Sincerely,
