shares her motivation to pursue her master's degree at UC Santa Barbara, her passion for problem solving and her advice for other young professionals. Shares her passion for problem solving and her advice for other young professionals.

Dr. Carol Genetti

Sincerely,

We appreciate all of your support as we work hard to ensure that our graduate and both the Graduate Division and the Graduate Student Resource Center are constantly updating. Our staff has been meeting with graduate students virtually is obviously having a large impact on our graduate student community and we in the Graduate Division are working hard to assist them in this difficult period. We are all in the midst of an incredibly challenging time in the global response to the COVID-19 virus. In an effort to minimize the risk of exposure in the Santa Barbara community, UC Santa Barbara is offering only remote instruction for
