Box Office Information

A terrible water shortage has crippled the Gotham-like town that serves as the setting for Urinetown. In a mad attempt to regulate water consumption, the government has outlawed the use of private toilets. The citizenry must use public, pay-for-use amenities owned and operated by the corrupt and iron-fisted Caldwell B. Cladwell.

This production makes use of haze and fog-in-a-can, an organic spray.

DIGITAL PROGRAM

URINETOWN was produced on Broadway in September 2001 by the Araca Group and Dodger Theatricals in association with TheaterDreams, Inc., and Lauren Mitchell.

URINETOWN is presented through special arrangement with Music Theatre International (MTI). All authorized performance materials are also supplied by MTI.
