November 2019

“CRM is the beating heart of your industry”

Ricky Redtail recently spoke with *InvestmentNews* at Riskalyze’s Fearless Investing Summit 2019. In addition to discussing the integral nature of CRM to the modern advisory practice, he also references a few things Redtail is working on to enhance our platform. [You can check out that video here.](#)

Redtail Engages AI to Boost Advisory Community

Redtail CEO Brian McLaughlin spoke with FinTech TV recently to provide some updates on Redtail’s upcoming A.I. offering and how it will impact advisors and help them improve their businesses. [Watch the video over at FinTech TV here.](#)

What’s New in the CRM?

In October we rolled out some great updates centered around new CRM Preferences, filtering options, data sorting, and popup action windows mobility. You can read more about those and our other recent updates to the CRM via our Release Notes [here](#).

What’s New in Integration?

Copytalk We hear you.))) The integration between Copytalk and Redtail CRM has been updated to include the new Copytalker™ button, which allows advisors to dictate client-meeting notes from a button within Redtail CRM. Details on the new integration with Redtail are available [here](#), and you can see the Upcoming Webinars section below to sign up for our November session with Copytalk.

Simplii now offers an integration with Redtail for their VoIP services. Details on the new integration with Redtail are available [here](#), and you can register for our webinar with them today using the link in our Upcoming Webinars section below.
