A Message from Dr. Zebulun Davenport, Vice President for Student Affairs
Greetings and welcome to Ram Fam members,

The best way for students to engage or re-engage with WCU is through student organizations! We are excited to host our Virtual Involvement Fair this Sunday, August 26th. It will provide an opportunity for you to learn about student organizations and allow you to connect virtually with students across campus.

Virtual Involvement Fair

The Virtual Involvement Fair is free for all students and can be visited by logging in to TrueConnect with your WCU login credentials. Students will log in with their WCU username and password. Students will be able to connect virtually with student organizations and learn more about their mission, activities, and how they align with their interests.

On the Day of the Virtual Involvement Fair:

1. Log in to TrueConnect with your WCU login credentials.
2. Explore and connect with student organizations.
4. Watch informative virtual presentations.

What changes are being made to the Student Code of Conduct?

Students play a vital role in maintaining a healthy environment. Ram Fam members, please take a moment to familiarize yourself with the updated campus Safety Precautions and share it with your students. Whether on campus, in an apartment, or at home, West Chester University would be helpful if you would reinforce to your students the use of masks, maintaining distance, and practicing proper hygiene. Effective on campus, or an off-campus, or in an off-campus, West Chester campus is always a community. Through recommended best practices and protocols, we aim to share an informed and healthy learning community. We are WCU Strong and we need all to keep it that way. When we protect one another, we all will remain safer and better prepared to thrive.

What are the policies in place for on-campus students?

Students are encouraged to contact one of our departments or contact our Student Ombuds at 610-436-3356. For more information visit the Office of Parent and Family Relations. Ramirez McCarthy, Director parentfamilyrelations@wcupa.edu

What are the policies in place for off-campus students?

Students living off-campus should be on the lookout to get their masks in the mail soon with their Rams Up t-shirts. Off-campus students do not live in town, they can drive through behind Sykes to pick up their mask. If students have any questions or concerns, please contact one of our departments or contact our Student Ombuds at 610-436-3356.
