What is the purpose of this Ram Fam Weekly?

This is a newsletter monthly, you will receive two this month because we have so much to share. Last year students should be on the lookout to get their masks in the mail soon with their Rams Up t-shirts. If you or your students cannot make either of these options, they can stop into Sykes and pick them up at a later time.

First, let me thank each of you for your patience and understanding as we have been preparing for this fall semester. Now that we are getting closer, I am looking forward to reengaging with your students soon.

I am sure you realize that the campus is more vibrant with your students here and we certainly miss having them on campus. However, the health and safety of the WCU community will always come first in all our decisions. Fall 2020 the university remains remote for this semester.
