The Office of Student Conduct is looking for students to serve on the University Hearing Board this academic school year. Hearing Board members play an integral role in maintaining a safe and fair environment for all students. They hear cases involving violations of the Student Conduct Code and make decisions about students' conduct. If you know a student who is looking to positively impact and serve the WCU community, please encourage them to apply.

Is your student considering moving off campus next school year? If not, it's never too early to start thinking about the logistics. Renting a place to live requires understanding the legalities and responsibilities involved. It's important to consider the location, size of the apartment or room, and proximity to campus. The University Housing website has information on disponíveis properties and the application process.

Financial Aid is excited to announce that the 2022-2023 FAFSA is now available. Complete the FAFSA as early as possible in order to maximize your student's eligibility for federal aid. The FAFSA deadline is March 2nd, 2022. For more information, visit [this link](https://studentaid.gov/fafsa).

As always, please be in touch if you have any questions or concerns. I am more than happy to assist.
