Intern at ORNL This Summer

Oak Ridge National Lab has [several internship opportunities for undergraduates](#). Each year over 100 UT students participate in programs such as the DOE SULI and ORNL HERE programs.

Our office is funding an additional UTK program with multiple paid 10-week summer research internships at ORNL. Students interested in the UTK program are required to also have an active [ORNL HERE application](#).

Limited spots available. Application deadline is **March 25, 2019**.

Present Your Research!

You've worked hard on your research - it's time to get it out there. Here are four unique ways to get your research heard by a wider audience:

EURēCA

Present your research **by poster** at the largest undergraduate research event on campus for the opportunity to win cash prizes. Submit your abstract by March 11 [here](#).

Undergraduate Research Symposium

For **oral presentations**, present at the 10th Annual Undergraduate Research Symposium put on by the Undergraduate Research Student Association (URSA). Submit your abstract by March 8 [here](#).

3 Minutes to Win It Research Challenge

For a more creative route, submit a 2-3 minute **original video** showcasing your research (and yourself!) for a chance to win an iPad or cash. Submit by March 5 [here](#).

The Undergraduate Awards

Submit a research **paper or project** that you did for a class (graded A- or above) for a chance to win an international award and a trip to Dublin, Ireland to attend the Global Summit. Submit anytime between now and June 11 [here](#).

Pi Day

We're celebrating Pi Day on Ped Walkway from 12PM - 2 PM on Thursday 3/14. Math enthusiast or not, come watch a pie-eating contest, take a stab at guessing the infinite numbers of Pi, or just have a slice of, you guessed it – pie!

Graduation Recognition

If you've participated in undergraduate research during your time here at UT, check to see if you qualify to receive a cord or medallion to be worn during graduation. Requirements and application located [here](#).

Research Abroad in Fall or Spring

Join an ongoing research project at one of Europe's top research institutions in the fall or spring semester. UT partners with EuroScholars to provide a high-caliber international research experience for undergraduate students. Open to ALL majors.

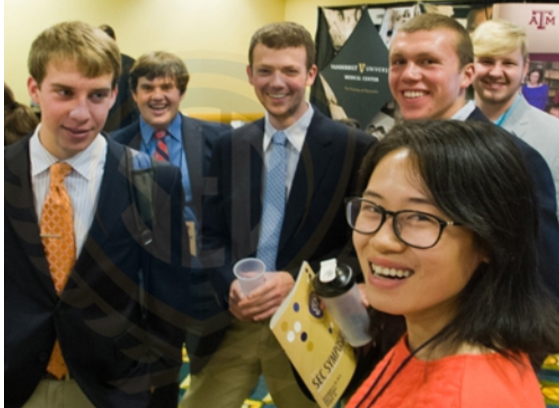

Deadline to apply for Fall is **March 29**, however projects are awarded on a first-come basis, so apply early if you can!

Read more and see a list of projects by country [here](#).

Travel Grant Funding

Showcase your research and represent the University of Tennessee at a regional, state, or national conference. We are pleased to announce the addition of an [Undergraduate Research Travel](#)

[Grants](#) program to our program offerings.

Students presenting their work at conferences may apply for funds to partially defray the costs of registration and travel. The amounts awarded are:

- \$300 for regional conferences (TN and any contiguous state)
- \$500 for national conferences
- \$800 for international conferences

Spring 2019 Research Seminar Series

How do you conduct research on a human subject? What are your rights as an inventor? We offer FREE seminars about unique topics in undergraduate research at UT and beyond.
