Dear Colleague,

The International Symposium on Knowledge and Capacity for the Water Sector will take place in Rome, Italy on May 27-29, 2020. This biennial event brings together experts from around the world to discuss the latest advancements in water management, policy, technology, and sustainability. The symposium focuses on building capacity and knowledge to address pressing sustainability and resilience challenges.

The symposium will feature a variety of sessions, including workshops, panel discussions, and keynote presentations. Attendees will have the opportunity to network with colleagues from around the world and learn about the latest research and best practices in the water sector.

Best regards,

[Your Name]
