**What You Need To Know**

**AP & Concur Accruals or Fiscal Close**

If you missed the recent Fiscal Close Bulletins, take a look at the [AP & Concur Accruals for Fiscal Close](#) Blink page for information on how accruals will be processed this year.

**NEW:** the Blink page includes a link to a preview of the Concur Accruals data. This file will be updated once a week through July 7, 2023. We are offering this special report because it joins the data from the Concur Expense Report and the Outstanding Card Charges report. This report can also be found in the [AP & Concur Accruals for Fiscal Close](#) Blink page under the Concur section. We hope to offer this as a report in the BAH in the future.

**Tip:** for Concur, move all card transactions from Available Expenses to expense reports with the Report Header fields populated, even if the travel/event will not take place until after June 30th. This will ensure that the transactions will not get accrued for this fiscal year. If the Travel/Event will take place prior to June 30th, assigning the transactions to an expense report will ensure that the accrual will post against the desired chart string.

**Updated Self Supporting Activities Fiscal Closing Instructions**

For anyone looking to review the updated SSA instructions document for fiscal close, a link to review the document is available: [Link to Document Here](#).

**NGN Recharges for Accounting Period June 2023**
For Fiscal Year-End Closing, NGN will post twice in the accounting period of June 2023 - one batch post for May payroll data, and another batch post for June payroll data.

Departments should be aware that NGN recharges for June will be posted as soon as possible after the UCPath payroll data burst on July 5th, and before PPM subledger closing on July 11th.

*Please note that for secondary intervals of payroll for June that post after the July 5th date, the corresponding NGN recharges will be processed and posted in the July 2023 accounting period.*

For more information on NGN recharge billing, please visit the NGN Blink Webpage at [ngn.ucsd.edu](http://ngn.ucsd.edu).
