## Announcements

### **New Major BI & Financial Reporting Enhancements!**

Major enhancements have been made to the Transaction Details Report, Expanded Project Summary Report, and the Faculty and Researcher Dashboard. See the BI & Financial Reporting section below for more detailed information.

### **New Balboa Travel Fee Structure**

UC San Diego and Balboa Travel have initiated a new service fee structure that better reflects Balboa Travel's dedication and commitment to UC San Diego while balancing travel industry cost increases and vendor imposed fees.

- The new fee structure with Balboa remains well below industry standard, where a typical booking fee ranges from \$50-\$100 per transaction.
- Our fees are also consistently below prices paid at other UC campuses.
- Balboa Travel provides valuable services to our UC travelers, such as trip advisement and monitoring, management of unused tickets, Covid resource considerations, technology integration and maintenance with UCoP's Risk Management, and proactive assistance when travelers need it most.

When it's time to travel, remember to travel the Triton way!

### **Payroll Deadline: Move/Relocation Expense Reports**

The end of the year Move/Relocation deadline for monthly/bi-weekly paid employees has passed. Any expense reports that are currently pending approval or any new Move/Relocation expense reports that get submitted will get approved in January 2023.
