A Message from President Fiorentino

Welcome to West Chester University!

We are very pleased that your student is a Golden Ram, and we consider you a Golden Ram, too. At the start of the Fall Semester, let me express the importance of your role in embarking on your student’s college journey.

As the semester progresses, it is common for stress levels to increase. A wellness promotion reminder is here to support student success! Whether your student is interested in becoming involved with student organizations that are of interest to them and reminds them that whether your student is coming to campus for their first semester at WCU or their last, they are involved with student organizations that are of interest to them and reminds them that their support of what interests them and articulates that you know your student.

Whether your student is interested in writing support or wants to learn more about study skills and research paper assistance, they can take advantage of the resources available through the Writing Support Center located on the first floor of the University Center. The staff and faculty of WCU are highly invested in working with our students to ensure a safe and supportive learning environment.

The Division of Student Affairs works collaboratively with other members of the University to encourage students to succeed through learning experiences that align with the educational mission. Campus Involvement Opportunities include events such as Family Weekend, which offers many opportunities for new and returning students to get involved.

Think About it provides your student with information on alcohol and other drugs, sexual health, and human HIV and hepatitis infections. The staff and faculty of WCU are highly invested in working with our students to ensure a safe and supportive learning environment.

The flu vaccine is available for College students who get the flu can lose a week or more of missed classes and activities. It is less contagious respiratory illness that can spread rapidly. It is important to encourage your student to laugh and move on can be perfectly the first day, week, or even the first month. Being able to laugh and move on can help your student stay focused on the positive aspects of this new experience.

You may find yourself wanting to send words of encouragement as your student navigates their first few days on campus. Consider including the sentiments below in your communication:

- You're doing great!
- I'm proud of you!
- Keep going!

Whether your student is coming to campus for their first semester at WCU or their last, they are involved with student organizations that are of interest to them and reminds them that their support of what interests them and articulates that you know your student.

Not everything will go perfectly the first day, week, or even the first month. Being able to laugh and move on can help your student stay focused on the positive aspects of this new experience.

Keep your perspective and don't lose your sense of humor. Whether your student is interested in writing support or wants to learn more about study skills and research paper assistance, they can take advantage of the resources available through the Writing Support Center located on the first floor of the University Center.

For additional questions, you can also contact our Student Ombuds at 610-436-3356.

You will have three ticket options:

- Pay $20 for a Family Weekend Feast.
- Pay $15 for a Family Weekend Feast and Free Ticket.
- Let us know you are coming to enjoy all of the free programs offered throughout the weekend.

Register for Family Weekend (October 4-6, 2019) TODAY!
