### A Message from President Fiorentino
- **As always, please help your student stay focused on the positive aspects of this new experience.**
- **Whether your student is coming to campus for their first semester at WCU or their last, they are likely experiencing some nervousness for all that is to come this Fall. Encourage them to get engaged and make connections with everyone around them.**
- **Remember who you are and that your family is already proud of you.**

### Student Health Services Update
- **The CDC recommends an annual flu vaccine for everyone aged 6 mos. and older.**
- **College students who get the flu can lose a week or more of missed classes and activities.**
- **Seasonal flu is a contagious respiratory illness that can spread rapidly.**
- **If you have not completed the online education module, encourage your student to do so.**

### Wellness Promotion Reminder
- **Wellness Promotion Reminder**
- **Think About it**
  - **Provides your student with information on alcohol and other drugs, sexual health, and healthy relationships and sexual misconduct.**
  - **It is very important that students complete this online module by the third week of classes.**

### Career Center Corner
- **A Message from President Fiorentino**
- **Lexie McCarthy, Director**

- **Thank you and best wishes to you and your student for a productive and happy autumn!**
