

STATE OF THE ART

News from PATRICIA BARRY LEVY

S E
E D

A recent small series titled *CloudyWeather*, which includes the perched acorn above, is up on my [website](#). The top scan of maple seed pods feels like the beginning of something new TBD.

Upcoming shows:

Home/Maker Invitational Exhibit, a group of women artists

1432 Market Street, Denver

Opening Reception Thursday, April 25.

Through May 5, Saturdays and Sundays, noon to 5pm, or by appointment.

Gallery proceeds benefit Mercy Housing, an affordable housing non-profit.

Robert Anderson Gallery

Denver. Late May to late August. Opening reception Friday, July 12.

See it while you can:

Month of Photography, a biennial celebration of fine art photography.

www.mopdenver.com

My travels kept me from participating this time around, but I highly recommend a dive into MoP with its huge array of shows, and artist talks. It's a not-to-be-missed opportunity to explore the medium we all love. Get in touch and I'll share my favorites.
