

# Budget & Finance Weekly Digest

May 21st, 2024 | 172nd Edition

## Announcements

### Reminder: Year-End Approach

To all departments, please review the Accounts Receivable (AR) Aging report located on the BAH for outstanding invoices: [BAH.edu](#) > Budget & Finance > Accounts Receivable Panorama > [Receivables Aging Report](#)

Additionally, review the Incoming Payments (Receipts) report to claim payments for application against outstanding invoices: [BAH.edu](#) > Budget & Finance > Accounts Receivable Panorama > [Incoming payments \(Receipts\)](#)

### [CIPERB Launch & Sign Up](#)

CIPERB (Customers, Invoices, Project Expenses Report & Billing) is a new tool that provides full functionality for individuals to manage customers under the Accounts Receivable module in the OFC application. Customer data created and updated via CIPERB will be updated in real-time in Oracle to improve customer experiences and increase operational efficiency. This initial release will focus on Customer Accounts only; the following versions will expand upon further applications.

Register for one of the following training sessions (please use your UC campus email for registration):

#### [CIPERB Training 4](#)

Wednesday, 05/22/24 @ 10 AM - 11 AM

#### [CIPERB Training 5](#)

Wednesday, 06/05/24 @ 10 AM - 11 AM

#### [CIPERB Training 6](#)

Thursday, 06/20/24 @ 10 AM - 11 AM

### **NEW! KBA Articles for CIPERB Role Requests**

There are new articles published in Services & Support on how to request roles for CIPERB.

- [KB0035155: How to Request CIPERB Roles to Create & Edit Customers \(Parties\)](#)
- [KB0035154: How to Request CIPERB Roles to Create & Edit Customer Accounts \(Not Parties\)](#)

Friendly Reminder from IPPS!

In preparation for Fiscal Year-End Closing, please reconcile your Procurement Card, Travel & Entertainment Card and CTS card charges as soon as possible.

- For P-card expenses, one must reconcile them within 30 days
- For Travel and Entertainment (Events) expenses, they must be reconciled within 45 days of the business travel end date or the event date

Recommended Department Actions before June 30, 2024:

- Move transactions from *Available Expenses* to "Applicable" or "New Expense Reports" and complete the Report Header fields. If the trip or event does not take place until a future date, moving Card expenses to an Expense Report will curb reconciliation reminders.
- To view [Outstanding Card Transactions](#) for your department, visit the [Business Analytics Hub \(BAH\)](#). To view all available reports related to Concur expenses and card charges, search "Concur" in the BAH.
- Submit Expense Reports and obtain all appropriate levels of approvals by the [Ledger Cutoff Dates](#) for Travel, Events and Non-Events expenses.

Submit Expense Reports and obtain Financial Unit approvals for P-card expenses once a month. To post to the ledger for FYE, make sure they are approved by your Financial Unit approvers before fiscal year end.

### **"Other Reimbursements" in Concur (Non-Event) Expenses**

Additional Expenditure Types have been added under the report type of "Other Reimbursements (Non-Event)" based on feedback from the campus community.

- **REMINDER:** Most university goods and services can be purchased with a [Procurement Card](#), through [Oracle Procurement](#), or [Amazon Business](#). One of the perks of Amazon Business is that it offers free shipping when you use your ucsd.edu email and log in via Single Sign-On (SSO). Please review the [Procure-to-Pay Decision Matrix](#) Blink page for proper purchasing methods.
- **NOTE:** Unlike the Travel & Entertainment (T&E) Card, where the cardholder can only pay for their own expenses (unless they are the Group Leader during a group trip), a UCSD employee can ask one of the Procurement Cardholders within their department to help make a purchase on their behalf. If possible, we recommend that there should be more than one Procurement Cardholder in a department so that the burden does not lie with one person to purchase and reconcile card transactions in Concur.
- **QUESTIONS?** Submit a [Services & Support ticket](#) or attend [Office Hours](#).

### **Concur Airfare**

Thank you for your patience as we worked to resolve the issue of airfare missing from Concur. Airfare should now be in the proper profiles but if you notice airfare still missing or airfare in the wrong place, please let us know via [Services & Support](#) so we can assist.

### **SECOND FINANCE TRAINING PROGRAM RAFFLE WINNER: Magdalena Chavez!**

Thank you to Magdalena for diving into the Oracle Foundations training and providing feedback on the course.

Remember, this could be you next time! We've got more raffles on the horizon, so don't miss out—the sooner you complete the training and survey, the more chances you'll have to snag a \$20 VISA gift card. Let's keep the momentum going!

# Campus Budget Office Updates

## Clear Legacy Fund Balances with a SOFI Swap

With the implementation of the Simplified Operating Funds Initiative (SOFI) in FY2016, most departments across campus now operate with SOFI as their main Core Operating Fund (13991). However, in the Oracle transition, some legacy index balances were inadvertently carried over in fund numbers such as:

- 19900-State General Fund
- 14000-Tuition
- 10950-Federal Contracts and Grants ICR
- 13050-Opportunity Fund
- 19931-Application Fees
- 19933-Federal ICR (General Fund Portion)
- 19940-Interest on General Fund Balances
- 19942-Nonresident Supplemental Tuition

The Campus Budget Office can assist with clearing these fund balances (whether positive or negative) via a SOFI swap journal. Please [submit a ticket](#) to CBO by selecting **Budget & Planning > Fund Transfers/Allocations > CBO Resource Allocations** and include **SOFI Swap** in the Subject Line. Please provide the following:

- Full **Legacy Fund** chart string and \$ balance to be transferred
- Full **SOFI-13991** chart string to send/receive the fund swap

**Note:** If there are current year expenses posting to the Project/Task linked to the legacy fund #, please process Cost Transfers prior to requesting a fund swap for the remaining balance. This may also include updating payroll, recharges and other transactions that are pointing to the legacy Project/Task so that additional expenses don't continue to post in the future.

## Tips & Tricks

### Spring Cleaning: Cache and Cookies

If you are a Concur user and you've been noticing that your Concur is slower or you are encountering many *Something went wrong* alerts while making updates to your Concur Request and/or Expense Report, we recommend that you clear your cache and cookies on a regular basis. We've noticed that more errors occur when you have too many cookies on your device. To clear your cookies and cache go to your browser settings, and then select Privacy and Security. Additionally, Google Chrome works best with Concur, so we recommend that you make it your preferred browser to avoid system issues.
